

Christmas is Coming

1

The snowflakes are falling
And frost's in the air,
But Christmas is coming,
So what do we care!
If we listen closely
Perhaps we will hear
The jingling of sleighbells
As Santa draws near!

The joybells are ringing,
Ding, dong! Ding, ding, dong!
As young folk and old
Sing a holiday song.
Dear Santa is coming,
Let's all give a cheer;
Hang up ev'ry stocking,
'Cause Christmas is here!
