

All night, all day,  
Angels watching over me, my Lord.  
All night, all day,  
Angels watching over me.

Sun is a-setting in the West;  
Angels watching over me, my Lord.  
Sleep my child, take your rest;  
Angels watching over me.

All night, all day,  
Angels watching over me, my Lord.  
All night, all day,  
Angels watching over me.
